Relay Day 2017

Parents, please scan this QR code for important information.

Splash Day Reminders

- ✓ Colored t-shirt or tank top must be worn over swim clothes/wind shorts
- ✓ Bring a towel
- ✓ Sunscreen
- ✓ Extra clothes

STAAR TESTING

On May 8th, 9th, and 10th, students at Northside will be taking their 4th grade math and reading tests. At the same time, some 5th graders will be retesting in math and reading and then on the 10th, 5th grade will be taking the Science STAAR for the first time. It is very important that your children get to bed early and have a good dinner the night before.

Breakfast is always provided at school for everyone. We ask that you do not come to the school to eat with your child or deliver lunches on testing days due to the scheduling changes that occur. Thank you for your cooperation.

Eagle Reception

We wish to thank the Eagles for volunteering to make a difference a child's life by being present and available to these children weekly. Your hard work and dedication to our students will have a lasting impact on their lives and on our community. Thank you for choosing to invest your time in a child.

There will be a **reception to show our appreciation on Thursday, May 18 in the counselor's office from 10:30-12:10**. Please come by and enjoy some snacks with your Eaglet, say hello, and pick up a small gift as a token of our appreciation for all you have done to make our world a better place!

<http://www.rclib.org>

Be sure to visit the Rusk County Library this summer and continue reading. They have many free activities for families to enjoy together.

NS Library News

All books will be due in the library on May 11th. Thank you to staff and parents for making the Hank the Cowdog program a huge success!

Our **EAGLES** are the best! Impact a child's life forever!
